

Earn your Bachelor of Science degree in business administration from DWU with an agricultural emphasis from Mitchell Tech.

Dakota Wesleyan University and **Mitchell Tech** are collaborating to bring you the best of two worlds: agriculture instruction in state-of-the-art facilities at Mitchell Tech, combined with strong business, communication, problem-solving and teamwork skills from DWU.

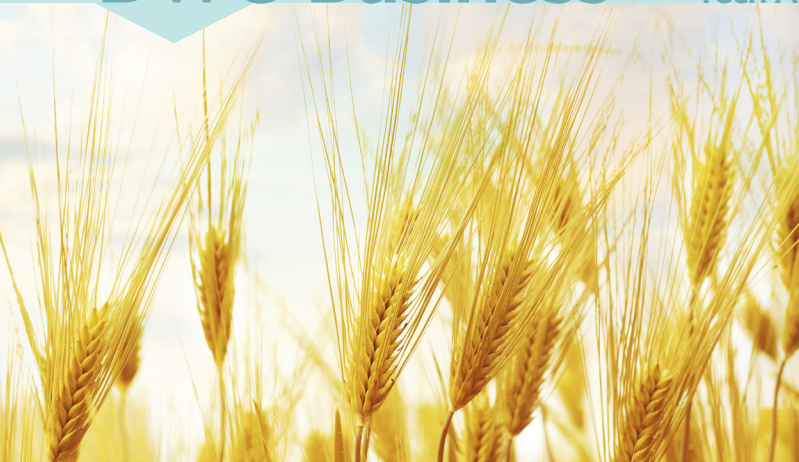

This program is for you if you want to pursue a career in agricultural lending, insurance, farm management or a variety of other agricultural business fields.

SPENCER NEUGEBAUER Mitchell, S.D.

"I chose this program because I wanted the college experience, and I wanted to play football, but I also knew I needed applied knowledge and skills in agriculture. I have enjoyed my experience at both schools and would recommend this collaborative program."

DWU Business + Mitchell Tech Ag = Bachelor's Degree

Your DWU adviser will work closely with you and the faculty at Mitchell Tech to be sure your coursework will help you meet your goals.

Program Features and Policies:

- You may have the option to participate in college athletics if you maintain nine credits at DWU (NAIA requirement) and 12 credits total.
- Courses at Mitchell Tech will begin after your freshman year at Dakota Wesleyan.
- You will earn your bachelor's degree within four years if you follow the plan you create with your adviser.
- Because of this agreement, financial aid will apply to both institutions, as long as you maintain a minimum of 12 credits between both schools.
- Dakota Wesleyan University scholarships will be prorated based on credit hours enrolled at DWU.
- Credits taken at Mitchell Tech need to be preapproved.
- Mitchell Tech enrollment caps may apply.
