Dakota Wesleyan University Statement of Financial Responsibility

Why do I need to provide proof of financial support?

To apply for a student visa at a U.S. Embassy in your home country, you must receive a Form I-20 from Dakota Wesleyan University. The Form I-20 can only be issued to the student after he/she has shown sufficient funds to support themselves for the duration of their studies.

What documents do I need to provide proof of financial support?

Personal Funds:

You must provide a letter from your bank indicating that you have the necessary funds available to support yourself. The letter must be on bank letterhead, dated within the last three to six months, and must be signed by a bank official indicating a specific amount of funds available.

Parents and/or Sponsor:

The sponsor must complete and sign the Financial Responsibility Form indicating that he/she agrees to provide you with the necessary funds to support your educational expenses.

AND

The sponsor must provide a bank statement verifying that the necessary funds are available. The letter must be on bank letterhead, dated within the last three to six months and must be signed by a bank official indicating a specific amount of funds available.

Government Funds or Other Agencies:

If the student is being supported by a government agency, private foundation, bank credit line or other agency, the student must provide a copy of the award letter. If the loans do not completely cover the amount required for the issuance of a Form I-20, the difference must be made up according to the regulations listed in the above proof of financial support.
