

Transfer Student Checklist

With every deadline and requirement, it's easy to get confused or forget a step along the way. In order to make your transfer process as seamless as possible, we have created this checklist for your convenience.

Apply

Submit an application online at www.dwu.edu/apply or contact the admissions office to receive a paper copy.

Submit All Official College Transcripts

To complete your application, we will need official, sealed transcripts from any previous institution you have attended. You may be accepted with an unofficial copy until final grades are posted. *In some cases, high school transcripts may be requested.*

Apply for Financial Aid

Dakota Wesleyan's priority date for financial aid is Feb. 1. Your FAFSA (Free Application for Federal Student Aid) can be completed starting Oct. 1 so you can be considered for the maximum federal funding if you are eligible. You can apply online at www.fafsa.ed.gov. If you have questions, be sure and contact our financial aid office.

Pay Enrollment Deposit

Submit your \$200 enrollment confirmation deposit before registering for classes. The benefit of submitting the enrollment deposit early is priority in housing and course choices. You can pay in person (cash, check or credit card), by phone or online at www.dwu.edu.

Complete Online Housing Form

These forms must be completed by all students whether living on or off campus.

Submit Online Mandatory Health Forms

These forms must be completed by all students whether living on or off campus.

Register for Classes

You are welcome to attend one of our set registration days or arrange an individual visit with your transfer coordinator. During this time, you will register for classes, receive your student ID, mailbox information and much more.
